Sexiness At Your Fingertips

Author's Notes:
I hope you like it. Drabbles can be a hit or miss, so hopefully this one makes you smile. Happy Ficmas!

Andy's fingers graze lazily over Ashley's upper arm, tracing the outline of the stars set against a backdrop of blue and purple waves and a yellow and orange exotic flower. Ashley purrs under his touch but doesn't move, still too blissed out after their morning fuck.

"You look at them like it's the first time you see them."

"I always see a new detail, a new shade... Depending on the light..."

Ashley smiles then he nuzzles Andy's throat and brushes his lips against the singer's feather tattoo.

"Do they look better after sex?"

Andy chuckles.

"Yeah, I think they do."
